

Introducing Real-Time Bus Information

Votran now offers helpful bus information in real time! Thanks to new GPS technology on our buses, you can now:

- Track where your bus is
- Get reliable, real-time departure information when your bus is up to 30 minutes away

There are four easy ways to find out exactly when the next bus will arrive at your stop:

PHONE

Call Votran at **386.756.7496** (East Volusia) or **386.943.7033** (West Volusia) and our customer service staff will assist you.

ONLINE

Visit **www.votran.org** to plan your trip, track the bus in real time, buy passes online, or get general information about how to ride Votran services. Also, you can sign up for alerts and create an account with your personal settings.

TEXT VO TO GO

Type 321123 in the "To" box of your phone's text messaging feature, and enter "VO" followed by the bus stop number as the message. You will receive a text with the next three bus departure times.

DOWNLOAD THE APP

iPhone users can install Votran's MyStop from the iTunes App Store. This app lets you track Votran buses and find when your bus will arrive directly from your phone.

EXACT FARE

When boarding, always have exact change ready. Regular fare is **\$1.50**. You can also purchase a Value Pass farecard, available for 1, 3, 7, or 31 days. You can buy passes online. Operators are not allowed to make change, handle money, or deposit fares.

REDUCED FARE

If you qualify for reduced fares, have your U.S. Medicare, proof of age or Votran ID card ready. Reduced fare is **\$0.75**.

SMOKING, EATING AND DRINKING

Extinguish your cigarettes and finish your food and drink before boarding. All are prohibited. This includes electronic smoking devices.

GETTING ON THE BUS

When you have arrived at the street location where you need to catch the bus, stand near a designated stop or where there is no sign, stand at the far side of the intersection, not the near side. The bus will not stop in midblock. Watch for your bus to determine the correct route number before signaling the operator to stop. Signal the bus operator by raising your hand.

GETTING OFF THE BUS

When you get within a block of your destination, signal the operator to stop by pushing the yellow strip next to the window or by pulling the cord. Stay seated until the bus comes to a complete stop, then move to the rear of the bus to exit. Wait until the green light above the door signals you to push the vertical bars.

NO SHOES, NO SHIRT, NO SERVICE!

BAGGAGE AND STROLLERS

You may carry on items that can be safely stowed on board once you are seated. Due to safety regulations Votran is unable to permit items such as bicycles, surf boards, or any article that will block the aisles. Bike racks are provided on the exterior of all buses. Strollers must be folded prior to boarding the bus.

HOLIDAYS

Buses do not operate New Year's Day, Thanksgiving Day and Christmas Day. For service on Memorial day, July 4th and Labor day, visit www.votran.org.

COMMENT, MISUNDERSTANDING, OR COMMENDATION?

Should you wish to make a comment, outline a misunderstanding, or commend an employee, please contact our office at **386.943.7033**. Please note the bus route, bus number, time of day, and location involved in the matter. You also may describe it in writing and mail it to Votran, 950 Big Tree Rd., South Daytona, FL 32119, or report it through our website www.votran.org.
